

The image displays a green grid used for a measurement exercise. On the left side, a photograph of a table with various dishes is shown. Overlaid on the photograph are several colored lines: a thick orange diagonal line, a thick blue horizontal line, a thick red diagonal line, a thick green diagonal line, and a thick pink diagonal line. On the right side, a schematic diagram of the table is shown, consisting of a dashed brown rectangular border. Inside this border, the same colored lines from the photograph are reproduced. The grid lines are spaced at regular intervals, providing a scale for the measurements.

TEST 2 - COLORARE PRIMA I CERCHI PER OTTENERE ALTRE BANDIERE
